ISHAN AHMAD

Undergrad Student

I'm doing my major on computer science and engineering right now. I'm a passionate learner. I enjoy the journey of learning.

EDUCATION

BSc. in Computer Science and Engineering
Daffodil International University

10/2020 - Present

Courses
- Data Structure
- Object Oriented Programming
- Algorithm

Qubit by Qubit: Introduction to Quantum Computing
IBM Quantum Lab - International Business Machines Corporation

10/2019 - 05/2020   *Achieved 87 Percentile*

Learnings
- This year long course sponsored by IBM took place from October 2020 to May 2021. This amazing course paved me a way to dive into Quantum more deeply, I learnt QKD, Randomized Benchmarking, Grover's, Shores algorithm in more details. Most Importantly, now I have an academic course certificated on Quantum Computing.

Introduction to Computational Astrophysics
Nueva Camp collaboration with SPSB and MASLab

07/2021 - 08/2021

Learnings
- Learned to use programming and algorithms to solve problems in physics and astrophysics.
- First-hand experience of python programming for data-analysis related to Physics and Astrophysical research projects.

PROGRAMMING LANGUAGE

C   C++   Python   Java   JS
